

**Nandawat Corporate
Services Pvt. Ltd.**

Scheme for Creation/Expansion of Food Processing & Preservation Capacities (CEFPPC)

**Under Pradhan Mantri Kisan
SAMPADA Yojana (PMKSY)
Ministry of Food Processing
Industries, Government of
India**

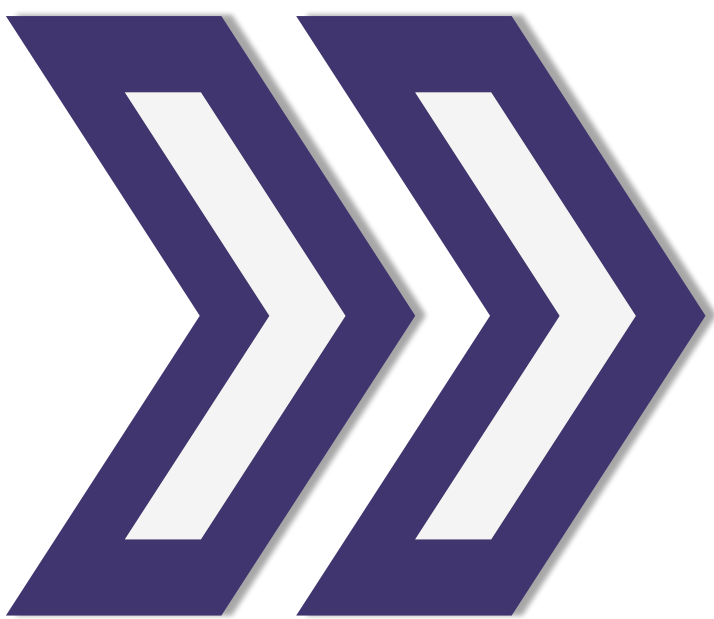

Nandawat Corporate Services Pvt. Ltd.

1. Objective

To create new processing units and expand existing ones to increase the level of processing, reduce wastage, and enhance the value addition of agricultural produce.

2. Eligibility

- Individual entrepreneurs, cooperatives, farmer producer organizations (FPOs), self-help groups (SHGs), and companies.
- The project should be in the food processing sector and involve the creation or expansion of processing and preservation capacities.

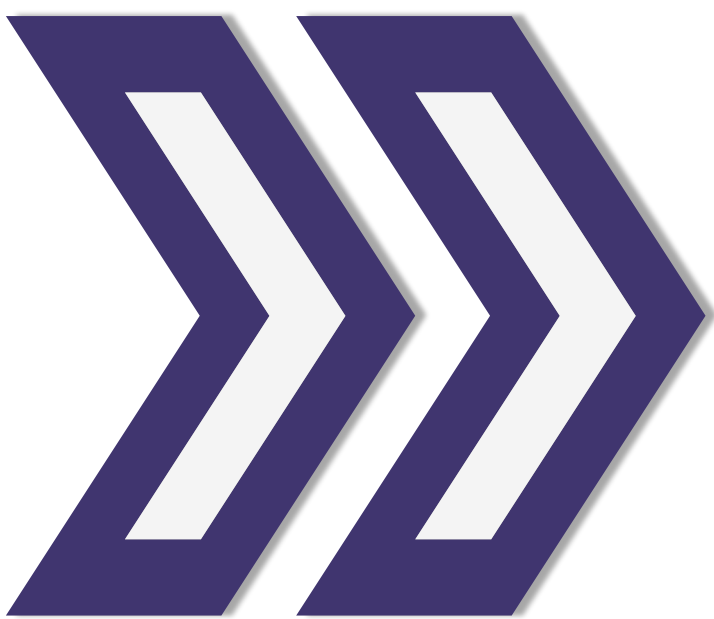

**Nandawat Corporate
Services Pvt. Ltd.**

3. Financial Assistance

- Grants-in-aid are provided at 35% of the eligible project cost in general areas and 50% in difficult areas (e.g., hilly regions, North-Eastern states).
- The maximum grant is capped at INR 5 crore per project.

4. Components Covered

- Infrastructure for primary processing and preservation.
- Modernization and expansion of existing food processing units.
- Setting up of new food processing units.

Nandawat Corporate Services Pvt. Ltd.

5. Implementation

- Projects are to be implemented within 18 months from the date of approval.

6. Key Benefits

- **Reduction in Post-Harvest Losses:** Enhanced processing and preservation capacities help reduce wastage of agricultural produce.
- **Value Addition:** Increased processing leads to higher value-added products, benefiting farmers and processors.
- **Employment Generation:** Creation and expansion of food processing units generate employment opportunities in rural and urban areas.
- **Market Expansion:** Improved processing infrastructure enables better access to domestic and international markets.
